Dear Mr Rosati

On behalf of BRITISH HEART FOUNDATION I would like to thank you for the recent Horse-Riding Fundraising event you undertook and for your very generous donation of £200.00.

Please rest assured that this money will go towards our continued research into lifesaving treatment for both heart conditions and vascular dementia.

Without the continued, generous support of our fundraisers and donors we would not be able to fund the research that we do.

Once again, thank you so much for this generous donation which is very much appreciated.

Kind regards,

DEBBIE HOLMAN  
  
MANAGER (Teignmouth - T12)
